About IIR

About IIR

What is IIR(Institute of International Relations) ?

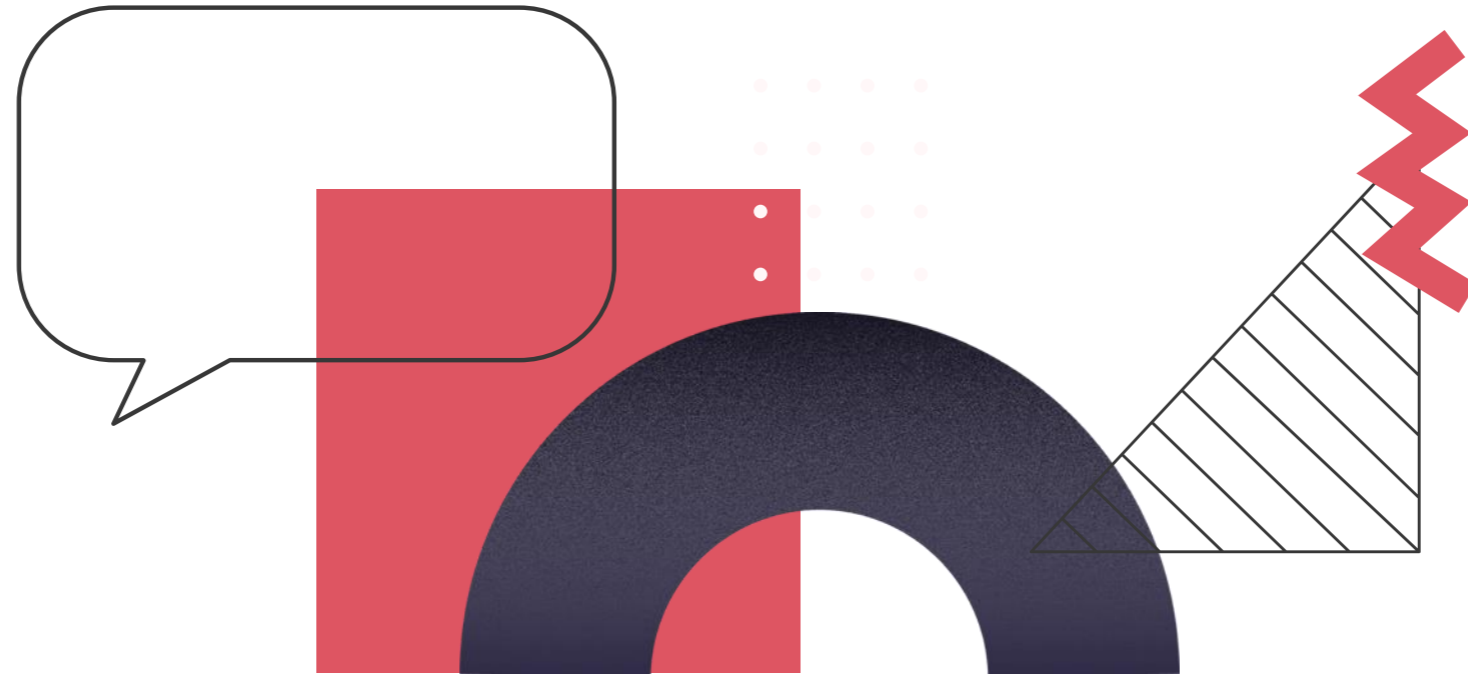

...The oldest and largest international organization in Keio. We are the only international organization that operates as a welfare organization at Keio University.

10 Original Projects

These 10 projects are unique to I.I.R. Each has its purpose and the partner of cultural exchange, and is working toward the realization of the group philosophy.

Currently, about 85% of the members belong to one of the projects.

About  project

About NEXT project

Our goal

slogan

Re-discover yourself, and your country.

Significance of the event

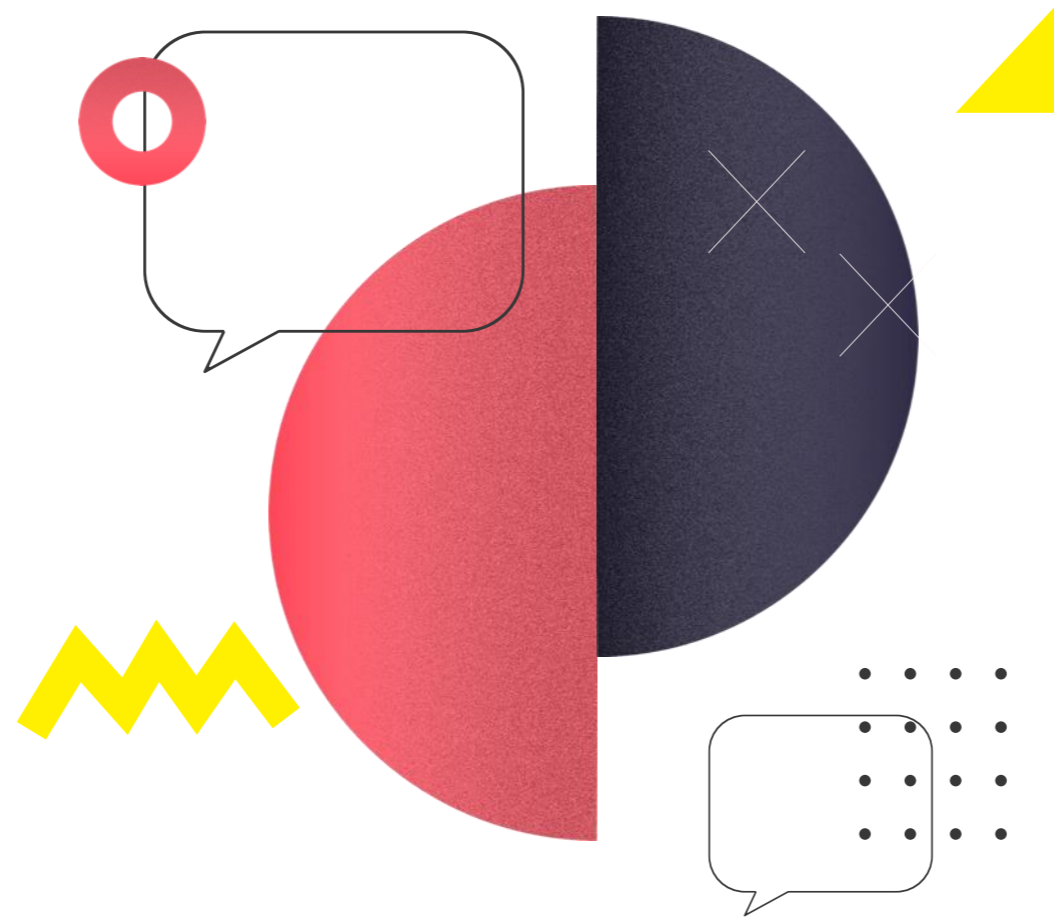

Significance of the event

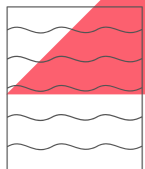

What we are aiming for through this event

Realize our slogan "Re-discover yourself, and your country"

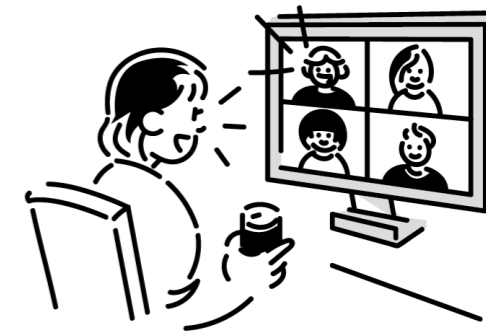

Have a good relationship with Manipur University of Culture's
Students

Program summary

Program summary

Program① : Let's share ways to spend time at home

..... ~ the flow ~

① Sharing ways to spend time at home

1. Self-introduction
2. Sharing how to spend time at home

※We'll repeat this twice.

② "Do you know what this is?"

- Watch cooking videos which videos are about 6 minutes
- There are nine questions.
- Please answer the questions on chat.

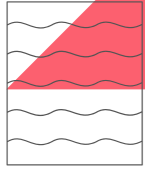

.....

Contents

- Share your time at home under the influence of the coronavirus between Indologists and Japanese students!
- Along with that, we pay attention to "cooking". Learn about the food cultures of both countries while enjoying some quizzes.

Objectives

- make home time more productive time
- Deepen friendship between students

Program summary

Program② : Online Trip Day

..... ~ the flow ~

① Online travel time

We will play a video introducing sightseeing spots for about 5 minutes. Let's enjoy a simulated trip together!

② Quiz time

We will give you a quiz about each sightseeing spots, so let's think about the answer as a team! The winning team is decided by the team competition.

③ Award time

We will announce and commend the winning team.

.....

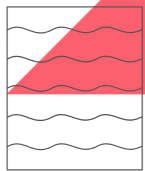

Contents

- The concept is "a simulated experience of traveling around Japan".
- We offer the experiences you will get on a real journey, such as sharing time and memories.
- We will take you to areas that you can not usually go to in the form of online with no time and physical restrictions.

Objectives

- Touching the naturalization and nature of both Japan and India
- Motivating future cultural exchanges in Japan by eliciting interest in both countries.

Program summary

Project③ : Presentation Day

..... ~ the flow ~

NEXT project members announce 13 presentations.

→ Get comments such as questions and

impressions from one person

.....

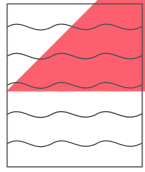

Contents

- All NEXT members give a 10-minute presentation
- The content of the presentation is Japanese food, manga, etc.

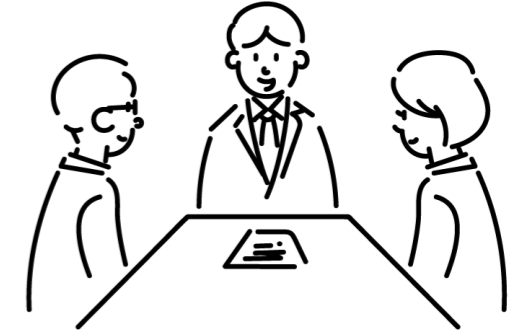

Objectives

- Allow Japanese students to learn about Japanese culture and explain it to people in other countries
- Get Indian students to know Japanese culture

Program summary

Program④ : Discussion Day

..... ~ the flow ~

A 30-minute discussion on four themes

- * 1 team consists of 4 people
- * Details of the theme are undecided, but two themes related to India and two related to Japan are planned.

.....

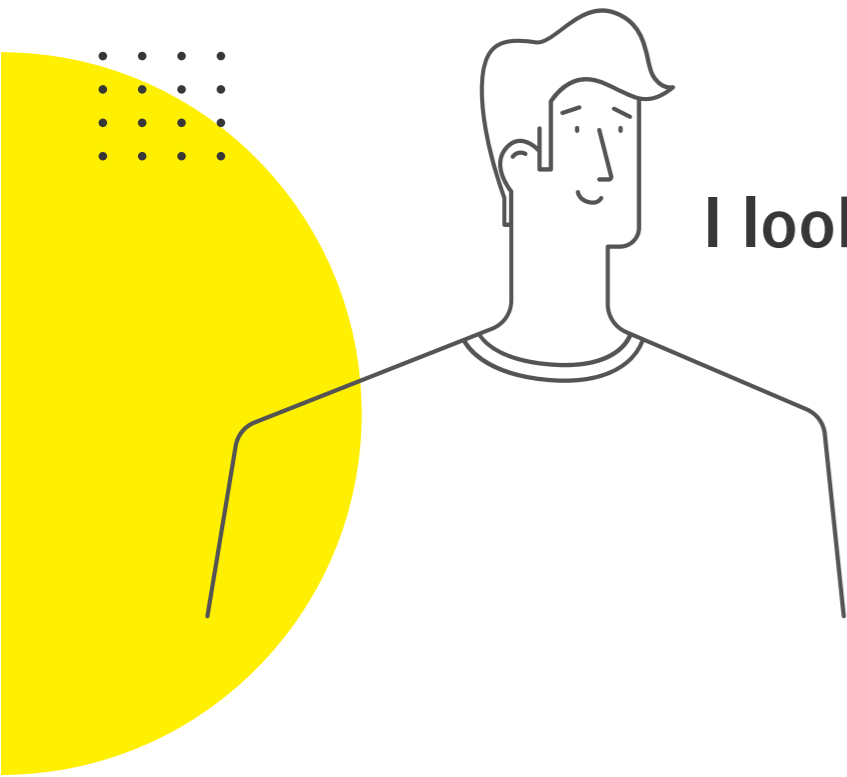

※Contents may change depending on negotiations with Manipur University of Culture

Contents

- Discuss common social issues facing India and Japan and matters that are controversial.
- By discussing from various perspectives from various backgrounds, it will be an opportunity to broaden the horizons of learning in both countries.

Objectives

- Know what other students of the same age are thinking
- Broaden each other's horizons

I look forward to enjoying with you on the day!
