

## Message

The Research and Development Cell, Manipur University of Culture is dedicated to nurturing innovation, creativity, and scholarship in the fields of art, culture, and heritage. Our goal is to blend traditional wisdom with contemporary research to preserve and promote the rich cultural legacy of Manipur and the North East.

We encourage collaboration among scholars, artists, and researchers to generate new insights and contribute meaningfully to society through culture-based research and innovation.

“Preserving heritage through innovation”

Director (I/C), Research and Development Cell  
Manipur University of Culture
